

1

SEARCHING GAME

Variation A: Search for all fish with a red head!

Variation B: Search for all one-colour fish!

TAKE A PENCIL
AND CIRCLE ALL
THE FISH WITH
A RED HEAD...

...OR CIRCLE
ALL THE
ONE-COLOUR
FISH!

2

MEMO-VARIATION

Put all the fish on the table with their backs facing up the table. Always find a partner fish, the heads must match in colour. Who found 3 couples first?

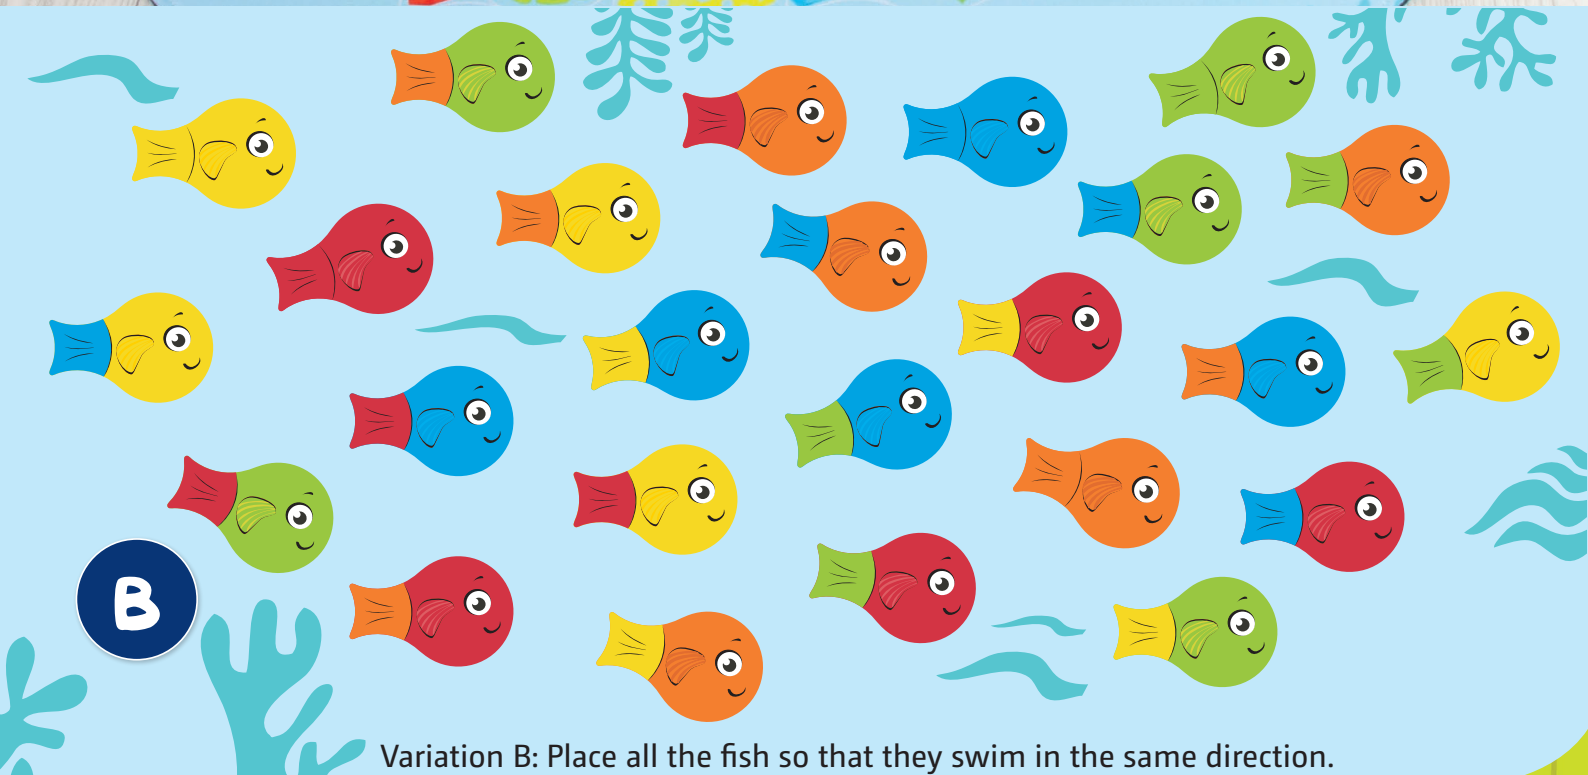

MATCH!

beleduc

3

PLAYING ON YOUR OWN

Variation A: Place the fish on the mat so that they match.

Variation B: Place all the fish so that they swim in the same direction.

4

DOMINO XXL

All players get 6 fish. One fish is in the middle of the table. Now take turns to put on a fish and try to be the first to put on all the fish. If you can't, you may pull a fish and put it on directly if it matches. Then it is the next player's turn. Have fun!
